Good afternoon,
Just as a FYI. I went outside this weekend and asked the DOT why they were not diverting traffic to the Observatory- which is a sanctioned viewing site for the sign. I was told that the Observatory was COMPLETELY FULL and that they were OVERWHELMED- so the cars are coming HERE, to our neighborhood instead.

This is a residential area! We cannot handle this! Honestly- this is a fully legitimate STATE OF EMERGENCY. Please come and see for yourself. We must go on diversion and it must be NOW. Traffic and congestion will be full THROUGH NEXT WEEKEND. We cannot wait. This is UNSAFE and UNBEARABLE.

I also spent a lot of time with the LAPD. They told me that they were APPALLED and that they could not believe how BAD it was up here!

PLEASE HELP US.
RESTRICT OUR NEIGHBORHOOD TO RESIDENT TRAFFIC ONLY. SHUT THIS DOWN. IT IS NOT WORKING.

Thank you,
Heather !

Would you like me to tell her that I was wondering the site just like an hour ago?
